Thoughts and Questions:

Session 1-1 Peter 1:13

Goal of these sermons : I'm wanting to get at what you actually are hoping in, what you are looking forward to in the future, because I know that shapes you, and because I know it's not optional.

What is the right way to think about the future? Look at 1 Peter 1:13—

"Therefore preparing your mind for action, keeping sober and spirit, fix your hope completely on the grace to be brought to you at the revelation of Jesus Christ. "

How do you respond to that?

d. There are no sinners there.

What?

"Hope"=confidence of future good.

"Fix"=set in place.

"Completely"=Fully or 100% or absolutely.

4. "Beautiful."

3. "Different"

a. There won't be any danger.

b. There's no more death, no more suffering.

 $\ensuremath{\mathbf{c}}\xspace$. He will wipe away every tear out of their eyes.

Why?

1. look at the nature of what God has for you.

d. There will be food and drink.

2. look at the fact that this gift is from God.

3. look at what God's doing in your life right now.

e. There will be work

*Are you hoping in it? Have you fixed your hopes? Is this certainty changing your life?

How?

3 steps to take to really be a person who hopes:

Step 1—pray that God would help you believe that He is really this good.

Step 2—prepare your mind for action

b. There are nations

Step 3—protect your mind/ stay sober-minded

Work at waiting. Are you?

Are you working at waiting for the grace that's going

to be brought to you at the revelation of Jesus Christ?

Are you actually fixing your hope?

Are you longing?

c. There will be kings, rulers and authorities.

What happens at the end after judgement day?

4 words that summarise what it tells us about where we're

going to spend forever:

1. "New"

Session 2–2 Thessalonians 1:6-10

2. "Similar"

a. There's a city

3 statements that the apostle Paul makes that we can

3. Jesus will act as judge of all mankind.

count on regarding the future return of Jesus Christ:

Statement #1: Paul says Jesus is coming back.

"When the Lord Jesus is revealed from heaven with his mighty

angels in flaming fire."

1. Notice who he says is coming back.

Session 5-Revelation 21:1-8

What is going to happen to us?

1. You and I are going to die.

2. Your soul is going to be united with your body.

2. Look at what he says it's going to be like.

3. Look at how he says He will be revealed.

Statement #2: what Paul says is going to happen when Jesus returns.

1. Jesus is coming to repay the wicked

2. Don't waste your time storing up treasures here on earth,

store your treasures, where it's not going to get

destroyed.

3. Focus more on God's approval, and less on what people

think of you.

1. Jesus is coming relieve the righteous.

4. Don't spend time judging other believers.

5. Its result.

Statement #3: What Paul tells us we should be doing now, since Jesus is coming back.

3 ways we should be changed by it:

1. If you are not a believer, turn, make peace.

*Are you living like your life matters? Are you living like

there's a judgement day?

Application:

 $\ensuremath{\textbf{1.}}$ Make it your goal. If you believe there is a judgement day

when you're going to stand before God make it your goal

to glorify God in every last detail of your life.

2. If you are a believer, we should hang in there and keep fighting.

3. If you are a believer it should also cause us to press

forwards and fight harder.

3. Its nature.

4. Its purpose.

*Are you living like it's true? Does knowing that Jesus is going to return, does knowing what he is going to do when he returns, does it make any difference in your life tomorrow?

Session 4-	–2 Corinth	<u>iians 5:9-10</u>
------------	------------	---------------------

Session 3-2 Peter 3:1-2

Five features of this judgement:

1. Its reality.

2. Its necessity.

<u>4 reasons you should work hard at remembering what</u> God is going to do when Jesus returns:

1. It's often attacked.

3. It's definitely coming and it's huge.

2. It's easily misunderstood.

4. It was intended to change us.
